

## meadowbrook enrichment

### FALL SEMESTER 2019

After School Enrichment classes are 3:00-4:30 pm.

**Carpool pickup is 4:30-4:45 pm.**

Sign up for classes via Sign Up Genius- **links will be sent via email on 8/26 at 9 am.**

Fall Semester class enrollment is \$720.

Please make check out to **Meadowbrook School** with the class name in the subject line.

Please note: there are no enrichment classes the weeks of 10/28 and 12/16.

\*Class size minimum must be met in order for class to be held!

Enrichment calendar and sign up links can also be found on our website: meadowbrook-school.com

## storybook club

Join us for a fantastically fun and academically enriching experience in Storybook Club! Each week we will read a different story and have corresponding activities. Students will be creating arts & crafts, cooking recipes, playing games, engaging in dramatic play, as well as many other literature related activities.

We will be focusing on story elements and thematic lessons all while having a blast!

### Tuesdays

**12 classes:** 9/10, 9/17, 9/24, 10/1, 10/8, 10/15, 10/22, 11/5, 11/12, 11/19, 12/3, 12/10

Teachers: Kristin Cooper & Ashley Stankey  
Class Size: 16 (min. 8)

## number fun

Calling all math lovers! Number Fun is designed for young children to reinforce their math foundation through games and manipulatives in a fun and engaging way. This class will be hands on as we build math vocabulary and number concepts.

**This class is for PM students only!**

### Wednesdays

**12 classes:** 9/11, 9/18, 9/25, 10/2, 10/9, 10/16, 10/23, 11/6, 11/13, 11/20, 12/4, 12/11

Teacher: Nancy Elliott  
Class Size: 8 (min. 6)

## wordplay

Language Building Skills made fun! This program will help your child increase vocabulary, build descriptive language, follow directions with auditory training games and create a natural desire to master the written and spoken word. Activities include music & movement, storytelling, narration, drama, games, cooking, and art!

### Wednesdays

**12 classes:** 9/11, 9/18, 9/25, 10/2, 10/9, 10/16, 10/23, 11/6, 11/13, 11/20, 12/4, 12/11

Teacher: Jill Hanrahan  
Class Size: 8 (min. 6)

## mad scientists

Join us for fall-themed science madness! Each week we will be doing experiments, making scientific observations, and having tons of fun stretching our scientific minds! Students can look forward to gardening, LEGO STEAM activities, fall nature discoveries, rocketry, and more! We'll even be taking care of the school pumpkin patch!

### Thursdays

**12 classes:** 9/12, 9/19, 9/26, 10/3, 10/10, 10/17, 10/24, 11/7, 11/14, 11/21, 12/5, 12/12

Teachers: Kristin Cooper & Lucia Fusch  
Class Size: 16 (min. 8)
